Searching the UA Libraries' Catalogue:

If you are not searching for an exact title or author, you will need to organize your search terms by concepts. This example uses three concepts by geography, genre, and theme. Use variant terms as appropriate as well as the truncation symbol *. Refine the results using the Ebsco check boxes.

Interlibrary Loans: (for titles not at the UA Libraries)

1) [http://www.library.ualberta.ca/interlibraryloan/](http://www.library.ualberta.ca/interlibraryloan/)
2) Click on Request an Item
3) Enter the ILL site with your OneCard barcode and PIN.
4) Fill out the request form

Finding Journals:

Search for the journal title in the Library Catalogue if the GetIt Citation Linker (see below) is unavailable.
