Searching the UA Libraries’ Catalogue:

If you are not searching for an exact title or author, you will need to organize your search terms by concepts. Use variant terms as appropriate as well as the truncation symbol *. Refine the results using the Ebsco check boxes. N.B. Names may have variant spellings.

Use the search box to note your practice search strategies.
Use **Databases** listed within the subject guides (see [http://guides.library.ualberta.ca/arts](http://guides.library.ualberta.ca/arts)):
