Repertoire Guides – Clarinet

This guide was created to aid you in finding information about, and music for, the clarinet. Use this repertoire guide as a browsing tool or as a beginning to your search. As always, consult the University of Alberta Library website (library.ualberta.ca) and the catalogues for complete holdings information and, when uncertain, ask at the Service Desk!

Special Locations for Printed Music
In addition to the main collection of printed music, there are two other locations, all at the east end of the Library near the listening area, where special materials are shelved. A particular call number may occur in all three locations. The two special locations are the following:

- Miniature scores (less than 21 cm tall): On the east side of the last range of shelving. In the online catalogue, this location, within the Rutherford Library, is given as “Music Miniature Scores.”
- Oversize scores (too large for the regular shelves): On the east side of the last range of shelving. In the online catalogue, this location, within the Rutherford Library, is given as “Music Oversize.”
Clarinet Studies, Methods, and Literature
